

SKILL GAP ROADMAP

Skill Gap Table: Shreya - Data Analyst

Skill	Self	Target	Gap	Suggestion
Excel	3	10	7	A lot of improvement is needed but nothing is impossible.
SQL	0	10	10	A lot of improvement is needed but nothing is impossible.
Power BI	8	10	2	Woohoo! You're almost a legend here. Keep practicing!
Python	5	10	5	You are almost there... Just need a little more practice.

Your Personalized 3-Month Roadmap

3-Month Roadmap:

Month 1:

- Master advanced Excel functions and pivot tables.
- Practice writing SQL queries for data extraction and aggregation.

Month 2:

- Build interactive dashboards in Power BI.
- Complete a data cleaning project using Python (pandas).

Month 3:

- Work on a case study combining Excel, SQL, and Power BI.
- Prepare a presentation to showcase your analysis.
